GENERAL MANAGER'S COMMENTS 1980/81 SEASON

We, the Lakers, are proud to be back in the Junior A Hockey loop, and we assure you that it is going to be an exciting year.

I welcome you all, and I hope you enjoy every one of the Laker's games, we have some players left from two years ago, along with many new ones, as time progresses some of them will be going on to bigger and better things, as they attempt to further their careers in this most exciting game or sport.

Russ Newton, the Coach, with an excellent ability, will be guiding the Lakers, and I wish the best to him, we won't promise a winner, but we will try to play entertaining Hockey.

The Lakers thank you for being here and we hope you will come again.

PRESIDENT'S MESSAGE

Welcome to another exciting season of action in the B.C. Junior "A" Hockey League! This is our twentieth season, and all indications point to 1980-81 being our best year yet.

This year we have thirteen teams, which is the largest yet for our league. This includes eight teams in the Coast Division, and five in the Interior.

I extend best wishes and good luck to the Vernon Lakers and all their fans. I know the Lakers will be a major contributor to whatever success the B.C. Jr. H.L. enjoys this season.

Dave is a native Vernonte, he played last Season for the Vernon Coca-Cola Juveniles. Dave has played all his Minor Hockey in Vernon. Fish had a short stint with the Lethbridge Broncos this year before returning to Vernon for the 1980/81 Season. Look for Dave to be tough in the corners and in front of the opposition's net.

Rex Slizak

6' 0" 180 lbs. Goaltender

Rex has been a standout since the first time he donned the blades, he has consistently been highly touted by both tier I and tier II Junior Scouts. The big goalie is bound to provide the Lakers with the other half of a great goaltending duo. Rex has played all his hockey in the Vernon system.

I would like to take this opportunity to congratulate the 120 fine, young men who attended the Lakers 80/81 training camp and also extend a warm welcome to the 20 of them who will comprise the Vernon Lakers Hockey Club.

With all the young talent we have been fortunate to acquire it is now my task to mold all these fine young men into an exciting Hockey Club for your enjoyment.

I can only ask for your patience as we grow and learn, your support will undoubtedly be one of the major ingredients in this year's recipe for success.

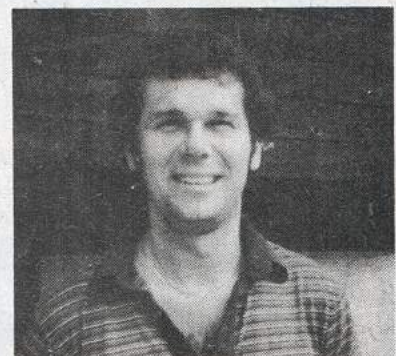

Good Sportsmen build a better Community.

Many thanks,

Rod Trentini

5' 10" 175 lbs. Left Wing

Rod comes from a very strong Hockey family. The Trentini name has long been associated with Hockey in Vernon both on and off the ice. Rod is a real worker in every sense of the word, Rod's goal scoring and tough checking style of Hockey makes him an important cog in the Lakers machine. Rod is a Vernon Juvenile graduate.

Ritchie Odiorne

5' 10" 170 lbs. Right Wing

This good looking winger comes to the 1980/81 Lakers from the Quesnel Millionaires of the Peace, Cariboo Junior 'B' loop. Ritchie arrived early in camp and was spotted immediately. Ritchie's great wheels and shot make him very dangerous on the offensive. Ritchie is currently wrapping up his grade 12 at V.S.S.S.

5' 10" 175 lbs. Defense

Bob is one of the many youngsters who will be controlling the Laker blue line this year. Bob, only 16 years old, has played all his Minor Hockey in Vernon. Bob was one of those pleasant surprises this year and you can bet he will be surprising opposing forwards all year.

Jeff Vest

5' 10" 175 lbs. Left or Right Wing

Jeff is one of only two twenty year olds on the 1980/81 Lakers roster. Jeff's buzz-saw style of Hockey adds a great deal of depth to the club's penalty killing and forechecking games. Jeff, last year, had a great year on the White Valley Hockey League. Although Jeff will only be able to contribute for one year, you can bet it will be a huge contribution and the Lakers are pleased to have Jeff.

5' 11" 185 lbs. Right Wing

Earl comes to Vernon after spending the last two seasons in a starring roll with the Merritt Centennials of the B.C.J.H.L. Earl is a Vernon native and played most of his Minor Hockey in Vernon. Earl possesses a wicked shot and is especially apt at controlling the play while on the ice. Look for Earl to log lots of ice time this year and when all is said and done, he's likely to be challenging for the B.C.J.H.L. scoring title this year.

Darcy Lepine

Darcy has toiled in the Penticton Minor Hockey system for a number of years. Darcy, as a defenceman, is extremely quick and agile, being as Darcy is only 17. The 1980/81 Lakers are counting on him to be a steady influence for many years to come.

Although "Swede" may be the baby of the club (he is only 15 years old), he is probably the biggest and certainly one of the toughest member of the 1980/81 Lakers. Swede is the kind of guy who always gives 100% and with that attitude is sure to be a leader for many, many years to come.
