Message From the TEAM President

I would like to welcome everyone to another season of Laker Hockey Action.

This year looks to be another fine edition of the traditionally strong Laker franchise.

The summer has seen a great deal of work put forth in assembling this product that I am extremely proud of. The

athletes assembled here for the

upcoming season are truly an outstanding group of young men.

It is our goal to present the City of Vernon and our local fans with another great year and many more of Junior "A" action.

The support of the community and fans in this endeavor is extremely gratifying and I look forward to seeing you all at the next Laker game.

Message From the BCJHL President

BCJHL

On behalf of the British Columbia Junior Hockey League, I wish to take this opportunity to extend a warm welcome to all for the 1993 - 94 season which is our 33rd year of operation.

The BCJHL teams are committed to providing a high calibre of skilled hockey in their communities and to developing both excellent hockey players and solid young men. Our team mandate is to prepare players for futures in University, College or Major Junior hockey. There are many former BCJHL players that have travelled through these different routes to the National Hockey League. They include

the likes of Cliff Ronning, Greg Adams, Geoff Courtnall, and Robert Dirk from the Canucks alone. Other former BCJHL stars around the NHL include Brett Hull, Andy Moog, Joe Murphy, Ray Ferraro, and Dallas Drake, to name just a few.

The BCJHL is proud of its recent record in winning five of the last eight Centennial Cup (National) Championships, nine of the last eleven Abbott Cup (Western Canadian) Championships and ten of the last eleven Doyle Cup (B.C./Alberta) Championships. We also had more players selected directly from our league. These winning totals

have established the BCJHL as the dominate Junior A League.

Powell River will be hosting their 1st ever and the 24th Annual All Star Game, it promises to be the principal event of the season.

I would like to send special greetings for the 1993-94 season to you, our valued fans, because of you this league flourishes. Also, to the many treasured volunteers and host families, a sincere thank you for the hundreds of hours you spend to help the BCJHL be the great league that it is today.

*Best Regards,
Ron Boileau
President*

With his sights set on a U.S. College Scholarship, Stephen's "power forward" style will surely attract plenty of attention from the college scouts. Stephen is an avid golfer and volleyball player.

YEAR	CLUB	LEAGUE	REGULAR SEASON				
			GP	G	A	PTS	PIM
1992/93	Lakers	BCJHL	58	3	9	12	57

Mark was one of a select group of sixteen year olds to play in the BCJHL last season. He is a very tough and durable forward who plays both wing and center equally well. This toughness combined with an exceptional shot and scoring touch will help make Mark an impact Laker forward this season. Mark is an avid weight lifter and is pursuing a scholarship to the U.S.

Darcy was acquired in a three way deal from Victoria via Nanaimo. Last season Darcy battled injuries which restricted his play time and point production, but showed great potential. He's a pure goal scorer with a cannon of a shot. The Lakers are hoping Darcy can be the trigger man on the power-play. Darcy reported to camp in great shape and hopes that his weight training will help keep him injury free this season.

A mixture of pure talent, character, and outstanding work ethic, make Chris a prototypical Laker player. Chris will find the "Civic" to be a great home rink where he can play physical and at the same time never be too far away from the opponent's goal. Chris' interests include baseball and basketball.

When the 93/94 season begins, Jason will be the only remaining player from 1991-92's B.C. Championship team. This experience combined with Jason's ruggedness will be a big factor in the Lakers success. Jason came into his own last season with some timely goals and some timely "big hits". With a powerful shot and remarkable work ethic Jason will supply both offense and defensive stability for the Lakers. Jason is an excellent golfer and stays in shape by lifting weights.
