Message From the Team President

Welcome to another exciting season of Vernon Laker Junior Hockey. This year's team promises to provide a great deal of excitement.

With the talent we have recruited over this past summer, it looks like we will be able to bring our fans a lot to cheer about.

The B.C.J.H.L. has added three new teams, which has led to divisional realignment, and we will be seeing more of our traditional rivals from Kelowna, Penticton and Merritt.

I would like to express my thanks to the advertisers, the billets, the fans, The Booster Club and the community at large for their support of the Lakers organization over the last few years. It is our goal to provide exciting hockey for many years to come.

Message From the BCJHL President

On behalf of the British Columbia Junior Hockey League, I wish to take this opportunity to extend a warm welcome to all for the 1994-95 season which is our 34th year of operation.

The BCJHL teams are committed to providing a high calibre of skilled hockey in their communities and to developing both excellent hockey players and solid young men. Our team mandate is to prepare players for futures in University, College or Major Junior hockey. There are many former BCJHL players that have travelled through these different routes to the National Hockey League. They include the likes of Cliff Ronning, Greg Adams, Geoff Courtnall, and Tim Hunter from the Canucks alone. Other former BCJHL stars around the NHL include Brett Hull, Andy Moog, Joe Murphy, Ray Ferraro, and Dallas Drake, to name just a few.

The BCJHL has accepted three new franchises this season; the Victoria Salsa, the Royal City Outlaws and the Langley Thunder. The expansion has created an opportunity to break the League into three Divisions; the Coastal, Mainland and Interior. A new innovative Playoff system has also been installed.

Penticton will be hosting the 25th Annual All Star Game, it promises to be the principal event of the season.

I would like to send special greetings for the 1994-95 season to you, our valued fans, because of you this league flourishes. Also, to the many treasured volunteers and host families, a sincere thank you for the hundreds of hours you spend to help the BCJHL be the great league that it is today.

Best regards,

Ron Boileau
President

This past year, the Vernon Lakers Booster Club has become a non-profit society. This means the Booster Club will be doing more fund-raising outside of the arena. Areas we are looking at include Bingo's, casino's and cash calendars.

The Booster Club can now assist in helping out the team in various areas. As well as helping out other charities.

The Booster Club is always looking for new members, if you are interested, please contact any member for more information.

I would like to take this opportunity to announce the British Columbia Hockey Hall of Fame (BCHHF) 'Join the Team' membership campaign.

The BCHHF is scheduled to break ground in Penticton, B.C., in the fall of 1995. We are pleased at this time to announce the 'Builders Membership' program. The cost to join the B.C. Hall of Fame Society is \$25.00.

The planned BCHHF will be styled after the Canadian Hockey Hall of Fame in Toronto and will celebrate players, coaches, volunteers and builders from British Columbia. We welcome all new members and hope that as a supporter of junior hockey in British Columbia you will throw your support behind this project-Please 'Join the Team'.

Please clip and return the coupon or call the BCHHF office to 'Join the Team' and become a member to the British Columbia Hockey Hall of Fame. Thank you.
