Lyall F. Hanson

Mayor's Message

On behalf of City Council and all the citizens of Vernon, I am pleased to have this opportunity to extend a warm welcome to all visiting players, officials and fans of the British Columbia Junior Hockey League to the 1986-1987 Hockey Season.

Hockey is one of Canada's most popular sports not only for the participating teams, but it also provides sports fans with entertainment that is hard to match. The players themselves are afforded the stimulation for athletic competition and friendly rivalry that makes the game of hockey such a challenge.

I know this season will be characterized by tough competition between the teams, and I extend best wishes to each team, particularly our own Vernon Lakers.

Lyall F. Hanson, Mayor

President and General Manager's Message

Mel Lis

As the new owner of the Vernon Lakers Hockey Club, I am looking forward to the coming season with great enthusiasm. The Lakers hope to work closely with the Minor Hockey Association and to set examples both on and off the ice for young Vernon hockey players. One of our goals is to ensure that all our players continue their education while playing for the Lakers.

The B.C. Junior Hockey League has sent many players to Canadian and U.S. universities and these graduates prove that hockey and education can be combined to provide a young man with an alternate career as well as preparing him for professional hockey. The formation of the Vernon Jr. Hockey Scholarship Fund will also enable young hockey players to start college here in Vernon.

We are looking forward to giving the hockey fans in the Vernon area an exciting form of entertainment in the action-packed BCJHL. I look forward to continued support from the community to keep Jr. A Hockey in Vernon a viable operation.

The Vernon Jr. A Hockey Scholarship Fund

In August of 1986, the Vernon Lakers of the BCJHL announced the formation of the Vernon Jr. A Hockey Scholarship Fund. The objectives of the fund are to:

- 1) Provide scholarships for qualifying players who wish to attend Kalamalka College on a full-time basis while playing for the Vernon Jr. A Hockey team.
- 2) Provide a bursary to a graduating Vernon player who exemplifies good citizenship qualities, has a high academic standing and who wishes to continue his education at a Canadian university. (Tentatively named the Roly Samartino Bursary Award.)

The scholarship fund will have its own entity, separate from the present Laker franchise or any future franchise sale or management changes.

The purpose of the fund will be solely to help young hockey players who play in Vernon to further their college education on a continuing basis as long as there is Jr. A Hockey in Vernon.

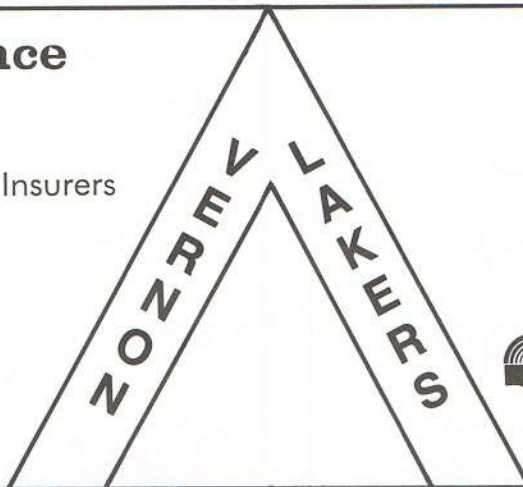

A committee has been selected from the community to manage and oversee the fund. Committee members this year are: Frank Estergaard, Ernie Kowal, Brian Willows, Bob Kaiser and Mel Lis.

LAKERS PLAYER PROFILE

Doug Spooner

Doug Spooner, a three-year veteran, is the new captain of the 1986-87 Vernon Lakers. Doug is a soft spoken individual off the ice, but a dynamic leader on the ice. Doug leads his teammates by example. He only knows one speed on the ice and that is all out. Doug epitomizes the word hustle. A ferocious fore-checker, Doug will go over or through anything to get to the puck first. Opposing B.C.J.H.L. defensemen will agree wholeheartedly with that statement.

When asked of his goals for the year, Doug replied, "to help the team be as good as it can." This goal reflects Doug's unselfish commitment to the team, putting individual objectives in the back seat. With Doug Spooner leading the charge, things are looking up for the Lakers this year.

Player Profile

DAVE MUNK #21

A late addition to Laker roster, Dave comes from a sports minded Vernon family. A natural athlete, Dave excels in baseball in the summer months. Dave did not play junior hockey the past two seasons, he had a stint with the Revelstoke Rangers in the B.C.J.H.L. before joining the Vernon Cougars at the intermediate level.

The burly right winger gives the Lakers more size and depth on the right side. Coach Gare says, "Dave did not see a lot of ice in the Penticton series, but he works hard in practice and will be ready to go when the opportunity arises. He has been very positive on the bench and in the dressing room which benefits everyone."

With the Laker - Packers series having the first four games in only five nights, Dave will certainly be counted on for his contributions early in the series. Using his skating and checking abilities, Dave should be effective in countering Kelowna's offensive threats.

Player Profile

WES ELLIOT #5

Wes is another product of the Vernon Minor Hockey Association to wear a Laker's uniform this season. After playing for two seasons with the Abbotsford Falcons, Elliott returned home in December to join the Lakers. G.M. Mel Lis states, "We were very happy to acquire Wes. He gives us some size on the blue line, is very steady and doesn't make many mistakes. His experience and defensive abilities have been a real asset to our hockey club."

Wes is very excited about advancing to the Interior Division Championship against Kelowna. This is his first taste of play-off action in the B.C.J.H.L. Coach Gare remarks, "Wes played very well in the Penticton series. I think his best attribute, is that he stays cool under pressure and he makes the right decisions with the puck the majority of the time."

Like many of his fellow Lakers Wes hopes to obtain a U.S. hockey scholarship. His recent fine play has not gone unnoticed by a number of college scouts and his chances of heading south next year look promising.
