## President and General Manager's Message

On behalf of the 1991-92 Vernon Lakers, I would like to welcome you to the Vernon Civic Arena and another season of exciting junior hockey.

This will be our sixth season operating the Laker franchise. During that time we were very proud to have a player drafted in the first round of the N.H.L. entry draft. A number of players have received scholarships to N.C.A.A. colleges. As a team, we have won numerous championships highlighted by winning our second Centennial Cup Championship in as many years at Sudbury last May.

Over the years it has always been our desire to provide the fans with the highest calibre of junior hockey as well as helping our players meet their educational and hockey objectives.

We wish to take this opportunity to thank the fans for their support over the past five seasons and we'll do our best to be deserving of that support again this year.

Sincerely,

A handwritten signature in cursive script that reads "Mel Lis".

Mel Lis  
President/General Manager

**President's Message**  
**1991 - 92 SEASON**

On behalf of the British Columbia Junior Hockey League, I wish to take this opportunity to extend a warm welcome to all for the 1991-92 season.

This league's superior calibre of play has once again been proven by winning the National Championship (Centennial Cup) in four of the last six seasons. (Penticton 1985-86, Richmond 1986-87 & Vernon in both 1989-90 and 1990-91). I congratulate the Vernon Lakers on their winning the BCJHL Championship (Nat Bailey Cup), B.C. Championship (Mowat Cup), B.C./Alberta Championship (Doyle Cup), the Western Canada Championship (Abbott Cup) as well as the Centennial Cup. I also congratulate the Powell River Paper Kings on their first Coastal Division Championship (Fred Page Trophy).

All the BCJHL teams are committed to providing a high calibre of skilled hockey in their communities and to developing both excellent hockey players and solid young men. There are many former BCJHL players on current National Hockey League rosters. They include the likes of Brett Hull, Glenn Anderson, Cliff Ronning, and Andy Moog. At the present time nearly 100 former BCJHL players are attending Canadian and American College and Universities on scholarships.

A special welcome is extended to our new franchise in Surrey. The Eagles will be a valuable addition to the BCJHL.

I would like to send special greetings for the 1991-92 season to you, our valued fan, because of you this league flourishes. Finally, good luck to the team management and coaching staff. To the players I hope you work hard in every game and display all your hockey talent to the best of your ability. This experience will be a stepping stone to greater opportunities in your future.

Best regards,  Ron Boileau  
President

## Meet the Coach . . .

**ED JOHNSTONE**

Ed Johnstone doesn't believe in shortcuts.

"Hard work is the key to everything you do in life, not just in hockey," said the Head Coach of the two-time Centennial Cup Vernon Lakers. "When you work hard, you tend to get those lucky breaks that you sometimes need to win the close ones. I've always found that the harder I work, the luckier I get."

A hard-working effort every night is what Johnstone expects from his players.

"It'll be tough this year, I don't think we can expect any easy games because every team will be up for us because we won the Centennial Cup the last two years. When you're on top, everybody wants to knock you off. It's only natural. But, at the same time, we have to learn to play at an intense level every night. That's how we won those Centennial Cups."

Johnstone is glad to have among his returnees goaltender Murray Caton, the hero of those Centennial Cup victories in 1990 and 1991, as well as captain Scott Longstaff, defencemen Kevan Rilcof and Troy Becker, as well as forwards Shawn Potyok and Rick Eremenko.

"Last year we had four returnees, this year we have six, so I think we're in reasonably good shape there," said Johnstone. "In the guys we have back we have excellent leadership and good character in the dressing room."

Johnstone also is happy with the talent he has to work with among rookies.

"We have some pretty talented kids, although we'll be younger this year than we were last year," said Johnstone. "It might take some time for the kids to learn to play at the faster tempo of our league, and it will take them a while to learn our system, but I think we'll be all right. As long as everybody works hard every night."
