3rd Period Goals Kill Blues Hopes

Kelowna Buckaroos scored four goals in the third period Saturday night to defeat Vernon Junior Canadians 6-2 in Okanagan Junior A Hockey League action at Kelowna.

Canucks had a 1-0 edge on the Bucks going into the second period and held the Orchard City to a two-all tie at the start of the third.

But Buckaroos, under their new pilot, Moe Young, exploded with four goals for the victory over the hustling Canadians.

Young has taken over coaching chores from Brian Roche who has left to play in pro ranks with Omaha of the International Hockey League.

Starry Vernon netminder Bob

Jones was injured halfway through the second period while stopping a flying puck in the lower stomach. He returned to complete the game.

Notching Vernon markers were defenceman Reg Main and left-winger Bob Stein.

Odie Lowe's Blues will have a chance to avenge the defeat when the Southerners come here Tuesday night.

Game will be one of the feature tilts of Minor Hockey Week and is expected to provide plenty of action for Vernon fans.

Last time Buckaroos travelled to Vernon, the Canucks registered a narrow 4-3 win for their efforts. Previous game here saw the teams battle to a tie.
