

# Jr. Hockey Gets Laws And 30-Game Schedule

**KAMLOOPS (CP)** — Okanagan junior A hockey took a step forward this week with the drafting of a 30-game schedule and adoption of a four-team constitution.

The junior loop, organized last year, begins its 1961-62 season Oct 31. Each team will play 15 home and 15 away-from-home games to be followed by league and provincial playoffs.

Vernon, Kelowna and Penticton are seeking financial backing. Kamloops, the fourth club, has already acquired a sponsor.

Apart from individual sponsorship, the league will receive no outside help.

League president Bill Brown of Vernon says: "We are hoping the fan response will make it a self-supporting organization."

At least three Western Hockey League clubs have reportedly shown interest in obtaining options on Okanagan players, but Brown says the loop isn't inter-

ested in professional ties immediately.

Kamloops is the only team to have named a coach so far. Former National Hockey League Chicago Blackhawk star Ken Stewart will handle the team.
