

# Blades Bow Twice To Quesnel

Vernon Blades found a somewhat tougher squad of Quesnel Juniors to contend with on a trip to the northern town on the weekend.

In two games played Saturday and Sunday they were beaten 6-5 and 13-11. But they won promotionally and that was the most important thing as the Cariboo got a look at the brand of hockey played in the Okanagan.

Coach Hap Schaefer only had 10 players on the trip made up of juniors and three juveniles. Norm Schiman, a juvenile, was goaltender.

Schaefer said the Quesnel club played very well and had one good line that never made the trip to Vernon the week previous. He also said the hospitality was bountiful with the players being treated very well.
