

# ***OJHL Calls Special Meet In Penticton***

The Okanagan Junior Hockey League will call a special meeting in Penticton July 25 to explore all avenues towards maintaining junior hockey in Penticton, Len Miller, president of the league revealed this week.

Penticton withdrew from the OJHL last month because of financial and player problems.

It is harder to run a three team league, Miller noted, Quesnel and Williams Lake have applied for franchises but it does not appear practical at present.
