

OJHL Meets Here Tonight

President Len Miller is calling a post-season meeting of the Okanagan Junior "A" Hockey League tonight at 7:30 p.m. in the Allison Hotel.

There will be some discussion on the up-and-coming season as well as a review of the past year. An election of officers may also be held.

Either Penticton or Summerland may be entering the league as a fourth member this season and there is a possibility delegates from one of these two areas will be attending tonight's meeting.
