## ***Junior Hockey League*** ***Finalizing New Season***

The Okanagan Junior "A" Hockey League will map final plans for the up-and-coming 1964-65 season at a meeting Sunday morning at 11 a.m. in the Allison Hotel.

The league schedule will be drawn up and ratified pending submission of ice times from the four junior hockey clubs involved.

A playoff schedule will also be tentatively planned.

The season will probably get underway by the middle of October with Kamloops Rockets, Vernon Blades, Kelowna Bucharoos and a new entry, a combined Summerland-Penticton club to be known as the El Rancho Broncos, competing.
