Buckaroos Place Four On Junior Dream Team

Pennant winning Kelowna Buckaroos, who face elimination at the hands of the Kamloops Kraft Kings after three games in the Okanagan Junior Hockey League finals, placed four men on the seven man all-star roster.

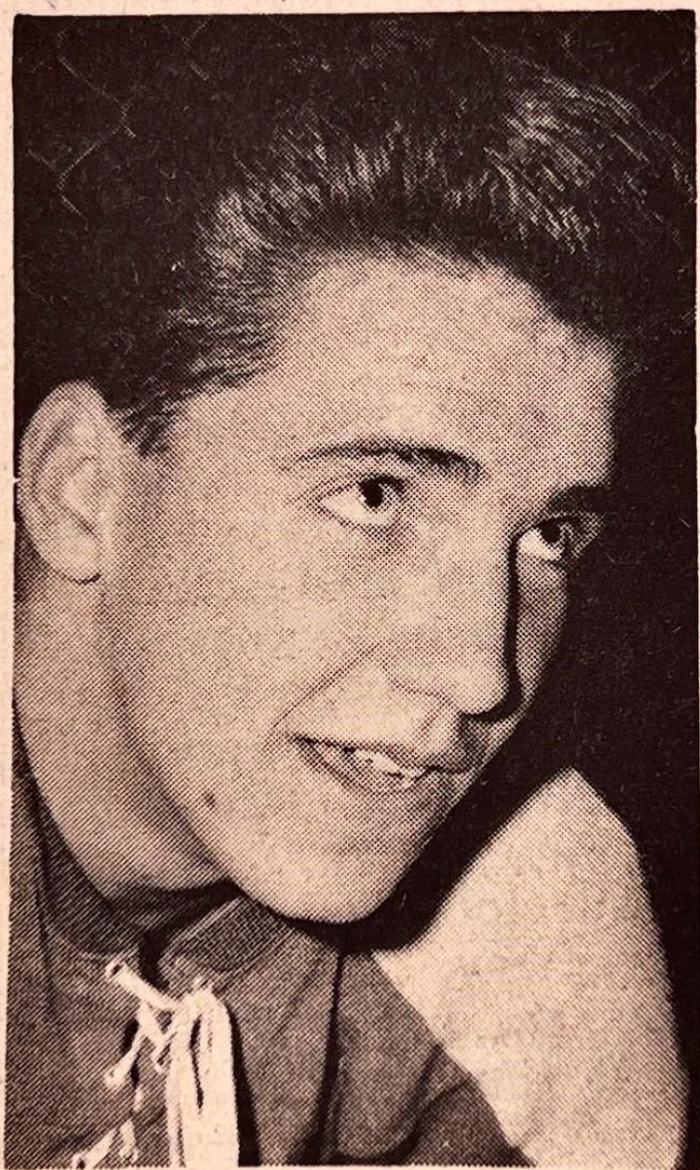

The dream team, chosen by coaches of the four teams, picked Buckaroo John Strong as the most valuable player in the league, gave goalie Ted Lawrenson the nod for his position, chose Don Hebert at left defense and selected coach Don Culley as the top pilot.

As well as claiming his award Strong was voted the top left winger for his season long performance.

Vernon's Bob Stein was named as the loop's number one centreman, despite Kamloops' Eric Shishido running away with the scoring title.

Other players to make the top seven were right defenseman George Brent of Penticton-Summerland and right winger Dale Sandyke of Kraft Kings.
