

Blades To Host Aces

Junior Blades continue their post-season exhibition schedule this week when they host the Intermediate Salmon Arm Aces. Blades will play Aces in Vernon Civic Arena this Thursday night at 8:30 p.m.

Last time out locals tied Aces 7-7 at Salmon Arm and this past weekend Aces sharpened up on some coast competition. Blades, on the other hand, have been practicing in their regular Wednesday night slot which could result in one of both teams' better games.
