

Blades Host Aces Tonight

Spring Session Continues

Vernon Junior Blades and Salmon Arm Aces had two things in common this past hockey season. They were both losers.

And tonight, at 8:30 in

IVAN MALINOSKI

... three goal performance

Civic Arena they both continue to overhaul, pull themselves together and gear for a season still months away. Both will be out to prove that they can be winners.

Aces, who supposedly

played in a league of a little better calibre last season and finished last, will dress a full complement of players, much the same as they went through the season with. Blades, on the other hand, will be going with an almost new look in icing the few Juniors who will be returning for next year and also members of the Juvenile squad who will be moving up to join the ranks of their elders.

Last time out on their spring swing, which included two games with the Penticton-Summerland El Rancho Broncs, Blades tied Aces in Salmon Arm 7-7 on a three goal spurt by centreman Ivan Malinoski.
