

Blues dump Kraft Kings

Odie Lowe
... "quite pleased."

All three "musts" for Cats

The word around the Vernon high school Panthers football practices this week are "if" and "but", and the situation for the most part, is gloomy.

Panthers, who are presently deep in third place in the valley conference, meet the Immaculata Dons this Saturday afternoon. Yes, they must win. Not only that, "but" the Penticton Golden Hawks have to tie the Kelowna Cubs when the two teams clash in Kelowna tomorrow night.

Hawks, who are presently in second place, one point back of league-leading Kelowna, by merit of a 40-13 triumph over Kamloops last Friday night, could clinch at least a tie for a spot in the Sagebrush Bowl should they win, whereas, if they lose, the five team conference crown goes automatically to the Cubs.

However, "if" the two teams tie Friday night, it would leave the Vernon Panthers with an outside chance of regaining the status they had wrestled away from them last Saturday when they were demolished by the visiting Cubs 37-6.

What a tie would mean to local Cats is new life. A draw would mean they have to beat Immaculata Saturday, Kamloops the following Saturday and also Penticton, Remembrance Day. "But", Kelowna would also have to lose to Immaculata next Saturday.

Malinosky-Quechuck one-two Blade punch

Odie Lowe's revitalized Vernon Junior Blades ran their 1966-67 win skein to two games last night as they fought from behind a one goal deficit in the first period to score a convincing 8-3 victory over the visiting Kamloops Kraft Kings.

The Quesnel duet of Ivan Malinosky and Lawrence Quechuck continued to assault the circuit scoring race. Quechuck raced for three goals and one assist while Malinosky scored once and earned four assists. Line-mate and centreman Tom Williamson, who left at the end of the second period with what he described as "the flu", had already picked up a goal and masterminded one other.

Other Vernon goal-getters were Pat Hembree, Rick Reilly and Juvenile Jeff Wilson.

Blades took a 3-2 lead into the second period and led after two, 5-2. They outshot Kraft Kings 36-30 in the three periods.

Coach Odie Lowe said after the game, "I'm quite pleased with the boys play," and then he quickly added, "but I'm still not happy." He said, "It took a long time for them to get going and against another team we could have been stopped." Lowe praised Quechuck and Wilson and stated, "it feels nice to be out of the basement."

Don Grant of Kraft Kings gave Hubsters a 1-0 lead at 2:31 of the first period when he steered the puck past netminder Gerry Allen on a pass from Larry Morrey. But Malinosky shot back at 5:46 of the initial stanza to tie the game with help from Williamson and Quechuck and Williamson gave locals their lead a little over three minutes later with help from Malinosky. Morrey scored his first of two goals then and Quechuck got his first showing Blues to the front for keeps.

Hembree netted what eventually became the winning goal at 2:28 of the second stanza and Reilly teamed up with Wilson to

score while locals were shorthanded for the only other second period goal.

In the third, Morrey scored his second goal for Kings with a pass from Dave Grant before Quechuck took over. The speedy winger, who earlier in the frame took to task Kings' defenseman Rick Trent for crosschecking him into the boards, clicked on a pass from Malinosky and then scored the hat trick, on a like play at 17:43, after Wilson teamed with Reilly to give the Vernons their 7-3 lead.

Twelve penalties were called in the contest, five to Vernon.

BLUE CHIPS . . . It was an all-round off night for Kings' rearguard Rick Trent. Dave Grant, Kraft King forward, also felt the Blades "overkill". Down to stop man, puck or both, he fell backwards hitting the ice and getting knocked out . . . said Kings' coach Andy Clovechuck after the game, "he'll be all right. He was hit on the head. Can't hurt him there." . . . for the second game in a row netminder Gerry Allen has gone without the mask and it has evidently helped . . . he has allowed three goals in each of the last two contests . . . very respectable indeed . . . next game for Blades sees them travelling to Kamloops this Saturday night.
