

Score 8-3 and 11-4 victories

# Vernon gain points on two wins here

Vernon Essos scored two convincing, but somewhat one-sided victories over the weekend in B.C. junior "A" action before their home town fans Saturday and Sunday.

Saturday, the Essos stopped the Victoria Cougars cold with an eight goal onslaught, as compared to three markers put forth by

the Cougars, then on Sunday, Essos romped to an easy 11-4 win over second place New Westminster Royals.

The pair of wins placed Vernon one point behind the second place Royals and Kamloops Rockets.

**HAT TRICK BY SERVISS**  
Tom Serviss was the big

gun for Essos in the Saturday encounter, as he came through with three goals and was instrumental on two more for a five point night.

The remaining Essos goals were single efforts by Keith Rolston, Mike Perepolkin, Jeff Wilson, Larry Hackman and Bob Blanchette.

Victoria Cougar goals came off the sticks of Greg Gow, Greg Wedderburn and Terry Mitchell.

Both teams managed one goal each in the first period, with Vernon coming back in the middle frame with five unanswered goals to lead 6-1 going into the third period.

Essos rounded out the night's scoring with two more in the final period with Victoria also scoring twice.

The Sunday afternoon fixture saw Essos take a 2-1 lead in the opening period and never look back as they scored three times in the second stanza and added six more in the final period to take a comparatively easy win over the New Westminster Royals by a score of 11-4.

Royals managed to score once in the first period, and add three more in the last period for a punitive effort by the previously highly rated coast team.

**MAYER HAS HAT TRICK**  
Defenceman Bob Mayer was the star of the Sunday show as he came through with a stellar performance, scoring three goals and assisting on two more.

Hard working Jeff Wilson and team captain Tom Serviss were also not to be denied as they played their usual high standard games. Wilson came through with two big goals and assisted on two others, while Serviss scored once and picked up three assists.

Essos for the most part were up for the games, particularly Sunday, when six individuals scored single markers to go with the Mayer-Wilson combination of five goals.

Essos singles came off the sticks of Keith Rolston, Lawrence Quechuk, Tom Williamson, Bob Blanchette and Tom Serviss.

Royals scoring was led by Bruce McGill with two and singles by Barry Wilcox and Barry Leswick.

Former Vernon Juvenile star, George Watson, picked up three assists for the Royals in a losing cause.
