# 60 try out for hockey

Approximately 60 young men aspiring to a hockey future will be in attendance at the Vernon Junior Essos Hockey Camp Sept. 21-30 in the Vernon Civic Arena.

Players from Vancouver, Prince George, Quesnel, Kimberly, Cranbrook, and some from the Prairie Provinces will be in attendance, vying for positions on the team.

Workouts for the local boys who wish to play in the up-coming season began yesterday and will continue all this week. Anyone wishing to join the Essos squad should contact coach Odie Lowe or Vern Dye.

Among those on last year's team at the workouts will be goalie Jock Gilroy, Dick Marsh, Bob Mayor, Wayne Dye, Gerry Vachon, Bob Blanchette,

Mike Peripolkin and Lawrence Quichuck.

From the 60 boys at the training camp, only 16 will receive the coveted honor of carrying the banner for the Essos in the 68-69 season.

Vernon hockey fans will get their first taste of action while the training camp is still in progress.

On Sept. 29 at 2:30 p.m., the new Essos will host the Red Deer Rustlers in an exhibition contest.

Regular league play commences on Oct. 5 when Vernon will host Kamloops in the season opener.
