

Four sign Esso contract

Four players have signed on the dotted line to play for the Vernon Junior Essos in the 1968-69 season.

First to sign was 200-pound defenceman Dawson Waite formerly of Winnipeg. Next to follow on the roster was 16-year-old defenceman Bobby Craig of Vancouver. Craig played minor hockey in Manitoba,

having recently moved to Vancouver.

Last night, Don Manson, a 175-pound centre from Revelstoke officially joined

the team, as did goalie Jack Gilroy.

Team Manager Vern Dye told The Vernon News, "We hope to have everyone signed by the weekend. The boys are really shaping up and are keen to get into their first action against the Red Deer Rustlers on Sunday."

In the minor hockey divisions, 152 boys signed up at the registrations Saturday.

who wish to play minor hockey, especially in the juvenile and midget levels.

Rustlers here Sunday

There's hockey action

slated for Sunday in the

Civic Arena despite the

strike of civic employees.

The Red Deer Rustlers

will face-off against the

Vernon Junior Essos in an

exhibition contest that

starts at 2 p.m.

Since the arena workers

are members of the strike-

bound CUPE, no admission

can be charged to the game,

officials say. However, the

arena committee is hope-

ful that the fans in attend-

ance at the game will donate

generously to help defray

the guarantee to the Rust-

lers and other expenses

which will total well over

\$400.

It is hoped that a good

number of fans will be on

hand to give the Vernon

boys support in their 1968

debut.
