

ODIE LOWE

Lowe hired for third

season

Vernon Essos Manager Vern Dye stated this morning that Odie Lowe has been hired for the third consecutive year to coach the local BCJHL entry.

"We're expecting good

results this year," he added, "as this time we'll only need two or three additions to the club."

The Junior Camp is slated for Sept. 20 with a 48 game schedule set for the season which will begin in mid October.

Something new has been added to the BCJHL for the upcoming season in the form of an All-Star game slated for Nov. 11 in Victoria.

Earlier, Dye had stated that the emphasis this year will be on education. In other words, top preference will be given to the boys on the team who wish to further their education while they are in Vernon.
