

# *Vern Dye wins May suit draw*

Vernon Essos Junior Hockey Club Manager Vern Dye was more than a little embarrassed when he made the announcement Tuesday of the Suit of the Month Club winner for May.

The ticket draw was made by Vernon News Sports Editor Wes Russell, and witnessed by CJIB newsman Don Warner. The winner...Vern Dye.

Dye's initial reaction was, "Oh no, it can't be!" This was followed by, "How'll we ever explain this one?"

However, the draw was considered to be fair and all above board so the team manager will soon be sporting a new suit.

The tickets, sold at \$1 each are on a suit valued at \$100, with one being given away each month as a fund raising project for the Junior Hockey Club.

Tickets are now on sale for the June draw.
