Approval brings junior Swedes

KAMLOOPS (CP) —The B.C. Junior Hockey League has approved plans for a spring tour of cities in the league by the Swedish national junior team.

The Swedish team, which beat Russia for the European junior championship earlier this year, would arrive March 17 to begin the series of games against BCJHL clubs.

An anonymous donor has agreed to put up the necessary $26,000 to guarantee the tour by the Swedes, which has been approved by the Canadian Amateur Hockey Association and the International Ice Hockey Federation.
