

Viking camp will open here Sept. 14

The Vernon Vikings of the B.C. Junior Hockey League will open their training camp at the Vernon Civic Arena September 14th.

The news was announced by manager-coach Vern Dye today who says the Vikings will be inviting fewer, but bigger and better players to the camp and these are expected to come from the camps of Medicine Hat and New Westminster.

Meanwhile, the Vikings have announced that fans can save up to 40 per cent in cost of the season tickets by purchasing them prior to September 15th.

The league opens September 29th with Vernon playing White Rock, formerly the Kamloops franchise.

Until Sept. 15, the Vikings are giving hockey fans money saving opportunities for season tickets. An example would be two adults and two children at for one-hundred dollars.

Individual plans call for adults pre-season tickets at only \$40, students \$25 and children \$15.

The league has set gate prices for adults at an even \$2 per game.
