'Hat' Tigers here tonight

Vernon Viking fans can expect to see a determined bunch of hockey players on the ice tonight as the local juniors get set to host Medicine Hat Tigers of the Western Canada hockey league.

X-country ski clinics

The Silver Star Ski Club will be sponsoring a Ski Touring and a Cross Country Clinic this weekend.

An equipment and waxing clinic will be held on Saturday, December 15 at 7:30 p.m. in the National Hotel Basement; and the "on snow" Cross Country Clinic will be held Sunday, December 16 at 10 a.m. on Silver Star at the second Parking Lot.

Two members of the Revelstoke Cross Country Ski Club will be giving instruction at the Clinics.

the Western loop are currently on a B.C. tour of regular schedule games and with a day off have consented to come into Vernon to take on the local club of the BCJHL in an exhibition encounter.

Game time tonight has been set for 8 p.m. and with former Vernon ace, Ed Johnstone in the Tiger lineup and, who by the way, has been scoring goals rather frequently of late, plus others who have toiled for Vernon such as Cliff Lane, the game should prove interesting to watch.

Tigers came up with a big win 5-4 last night at Kamloops, their first in the last nine games and should be ready to put together a fine performance for the Vernon spectators.

For the Vikings the game will give them a chance to put into practise several new plays they have been working on the past few mornings as they prepare for a tough Coast trip starting Friday at Chilliwack and ending in Langley on Monday night.

The four away games are a must in the win columns if they wish to remain in contention for first place with Kelowna who are only two points ahead and also have a rough four game stint at the Coast this weekend.
