Mayer helps Royals to take WIHL lead

The Kimberley Dynamiters scored a 5-4 overtime victory over Trail Smoke Eaters and Cranbrook Royals shut out Nelson Maple Leafs 5-0 Friday in

6-46 of sudden-death overtime to give Kimberley the victory. Although Trail led 2-1 at the end of the first, Kimberley monopolized second period play and ended the period leading 4-3.

Wayne Florke's third period marker, behind Dynamiter goalie Ed Babuk, tied the contest and drove the teams into overtime.

Florke had counted for another goal in the first frame and was aided with goals from Gary Sluchinski and Keith Tomassy.

Dale Booth opened the game for the winners at 5:30 of the first while Dennis Schick, Bob Clunie and Glen Walton added singles.

Ferguson kicked away 15 Kimberley drives while Babuk stopped 33. Kimberley sat out three penalties to Trail's one.

FIRST PLACE
The Cranbrook Royals moved back into sole possession of first place in the Western International Hockey League after shutting out the Maple Leafs 5-0.

The Royals led 2-0 at the end of the first period and 4-0 after the second.

Bob Mayer, Marv Fern, Jim Miller, Eric Sutfelich and Felix Lavallee shared the Royals' scoring.

Brent Mason earned the shut-out for Cranbrook as he made 24 saves. Dave Halme blocked 36 shots for Nelson.

Nelson took 12 of the 17 penalties called. Jerry Klinkhammer of the Royals and Nelson coach Gus Adams were given game misconducts for arguing with officials.

The win gives the Royals 30 points, one more than second-place Spokane Jets.

the Vernon minor hockey association. The kids will also get lucky tickets at the door with the first 100 also handed a roll of hockey tape. Children's prizes will include four goalie sticks plus many regular sticks and hockey

helmets. First game will see Stampede take on Armstrong Cougars at 7:30 with game number two starting at 9:15 featuring Totems and Winfield Raiders.

Santa signs with Vikings

Vernon Vikings intend to be on their best behaviour tonight as they take on Nanaimo Clippers in BCJHL action at Vernon civic arena because Santa Claus will be there watching them.

Vikings, like most organizations, are getting into the spirit of the festive season and intend to provide home town fans with some good quality hockey plus have added some extra entertainment when Santa agreed to don some "North Pole" skates and show everyone how well he can perform on the silver blades. He'll do his thing between periods.

Children under 12 will be admitted free if accompanied by a parent or friend and with extra prizes for everyone as drawn from lucky program numbers, fans should get a lot of fun out of this entertaining evening.

On the serious side, Vikings are sure to be looking for a big win over the Clippers and to continue their dominance over the Island club.

In four previous meetings, Vikings have taken three wins away, losing just recently last weekend as a matter of fact, for the first time.

Vikings have outscored the Clippers 23-14 and are sure to want to extend this margin as well as get revenge for the single loss just mentioned. Another need for the Vikings to get on the win trail stems from the fact they want to gain back two of the three points separating them from league leaders Kelowna Buckaroos. Kelowna doesn't play tonight but will meet this same Nanaimo crew tomorrow (Sunday).

Game time tonight is 8 p.m. with ticket wickets opening at 7:15 p.m. for those who wish to get good seats.

Girls vs soccer . . .

Coach-father now under suspension

POWELL RIVER, B.C. (CP)—The British Columbia Juvenile Soccer Association, charged with sex discrimination against two girls on the Powell River, B.C. team, now has suspended coach Gerry Polman-Tuin and the boys on the team and threatened other coaches in the division with suspension if they meet the blacklisted team—even in exhibition games.

Polman-Tuin, whose 10-year-old daughter Connie plays on the team, said Friday he hadn't been given a reason for the association's action.

But he had a "sneaking hunch" it had something to do with publicity this community received after his daughter and Pauline Tremblay, 12, were suspended from the association.

Polman-Tuin said he was told of the suspension by district manager John Lelliot of Powell River.

The coach said he was told "you guys started it all—television, publicity."

"I get a sneaking hunch this is why the team has been suspended," Polman-Tuin said.

For Polman-Tuin and his young soccer players, the head-ache started in October when the girls were told they could not compete in any organized B.C. juvenile soccer events.

Girls have been playing soccer in Powell River for more

than 10 years. Connie and Pauline registered with the association this fall, were issued playing cards and competed in several games before being told they couldn't play.

The boys took a vote and agreed that if the girls couldn't play, they wouldn't play.

While they were out of association play, two of the division's three other teams agreed to meet the Powell River players—with the girls—in exhibition matches.

"At least they were able to have a soccer game," Polman-Tuin said.

NEW TIME CLOCK GOES IN AT ARENA

A brand new, \$3,000 ice hockey time clock has been donated to the city of Vernon by Coca Cola of Canada Ltd. and Wometco (B.C.) Ltd. According to Vernon Wometco branch manager R. A. Williams, Coca Cola gave 75 per cent as its share while Wometco put up the

remainder. Wometco are the authorized bottlers and distributors of Coca Cola products in this area. The big clock will replace the old sweep hand style of clock used for many years here. The electronically operated unit was manufactured by Quaisar and will be con-

trolled from a panel at the time-keeper box. Above photo shows two workers Don Murdoch and Tom Koenig from the 1 and 2 Electric contractors of Vernon putting last minute adjustments on the front panelling. The electric firms owner, Nick Schuck, had agreed to donate his firms time and wiring costs towards the installation because he feels it is supporting minor and junior hockey and the community at large.
