

# Vikings acquire blueliners

Vernon Vikings' Coach Joe Tennant announced Wednesday that the club has acquired two defencemen.

Derk Bourguignon, a 15-year-old defenceman from Pine Point, Northwest Territories, confirmed he will join the club this year.

Bourguignon was named the outstanding player in the Kamloops International Bantam Tournament last year.

He is six feet tall, and 175 pounds.

Tennant said, "He is one helluva hockey player and I think he can make our club this season."

## FROM KAMLOOPS

The other player is Frank Cerney, a 185-pound defenceman from Kamloops.

Cerney attended Medicine Hat Tigers training camp last season but broke his arm in camp and missed most of the season.

Tennant said, "I think Cerney might make the Tigers this year, but if not, he will be with us."
