KIMBERLEY, B.C. (CP) — The Kimberley Dynamiters defeated league-leading Cranbrook Royals 5-3 in Western International Hockey League action Tuesday night before 1,000 fans.

Kimberley made the score 3-1 with a goal early in the third, but Cranbrook came back with two power-play goals by Joe Mutch to tie the score.

Calgary dumps Oil Kings

Glenn Wylie's goal five seconds into the third period was enough to give Calgary Centennials a 5-3 Western Canada Hockey League win over Edmonton Oil Kings Tuesday night, but not enough to lift Calgary out of the cellar in the Western division.

Calgary remains two points behind Edmonton with both teams having played 39 games.

In the other game Tuesday night, Medicine Hat Tigers defeated the Western division-leading New Westminster Bruins 7-6 but the win didn't change the order of the standings. Medicine Hat is still third in the division.

In the Calgary contest, the Centennials, who had period leads of 2-1 and 3-2, had a pair of goals including an insurance marker from centre Roy Sommer. Other Calgary goals went to Elmer Ray and Jerry Bancks.

David Morrow had Oil Kings first two goals while Rocky Maze scored in the third period.

The Centennials fired 41 shots at Kings' goaltender Tim Thomlison including 30 in the first two periods. Oil Kings managed only 27 shots at goaltender Jerry Price.

Greg Carroll scored three times to lead Medicine Hat to their home ice victory and stretch his personal scoring streak to 20 games.

Carroll scored the winner on a pass from Don Murdoch at 10:11 of the final period with New Westminster short-handed.

Other Medicine Hat goal getters were Tom Bast with two, Gary Gilchrist and Brian Hill.
