

## ON ROAD SWING

Vernon Vikings left this morning on a three-day road swing where they will play in Langley, Chilliwack, and Nanaimo. Although the

first-place Vikings have not played well in the last two weeks, one thing Coach Joe Tennant is happy with is his defence. Besides playing

good defensive hockey, the blue line corps has accumulated 43 goals in 38 games. Heading the defence's scoring surge are

veterans Terry Anaka with 18 goals and Brian Griese, above with puck, with 12 goals.
