MURDOCH TO FACE HEARING

Defence is the key

One year ago if you had suggested B.C. Lions would get rid of Wayne Smith, Bill Baker, Ray Nettles, and Barry Arden - you would have been advised to jump off a cliff.

But, Lions got rid of Baker and the klompkins in his defensive down, and are doing just fine without them.

Lions quarterback Jerry Tagge, rapidly becoming known as the new Joe Kapp, said this week the B.C. defence believes in itself.

Tagge said: "Whether the defence is going on or coming off the field, the guys are a mile high. I can't say too much about the job they're doing."

Several years ago, Miami Dolphins' Coach Don Shula built the defence of the Miami Dolphins around a short, stocky veteran middle linebacker named Nick Buononanni.

KICKERS SLIDE TO THIRD PLACE

Kelowna Kickers dropped from first to third place in the Okanagan Senior Soccer League this week.

Kickers dropped a 4-2 decision to Kamloops Builders when the Okanagan Soccer League kicked off this week.

There will be no league games this week, however, a crucial game will be played Sunday, at Kelowna City Park Oval.

Next league play is scheduled Sept. 11. League standings are:

NHL returning to draft format

TORONTO (CP) - The National Hockey League, hoping to strengthen its weak roster, will return to the old intra-league draft format.

The idea is for the best 360 players to be playing in the NHL. John D'Amico, president-elect of the NHL.

A meeting here of the National Hockey League Players' Association is set for next Wednesday to see if agreement can be reached on the proposal.

Under the terms of the proposed arrangement, the 16 teams in the NHL would be able to protect 18 skaters plus two goalies for this year's pro-cession.

Each club would be able to protect three additional players but they must not exceed 200 in total.

Next year, three additional players would be added to the list. In 1979-80 there would be no additions allowed.

NOT ALLOWED: In 1981-82, the protected list would be 200 players and two goalkeepers.

And from the proposal for what the owners are calling a "waiver draft," there was little else but homecoming.

They decided NHL teams must protect 18 skaters and two goalies for this year's season.

Port Coquitlam defeated Williamson Construction of Armstrong 18-10 during opening round play at the Okanagan Intermediate lacrosse championships in Richmond on Thursday.

Eight teams are competing in each of the two divided divisions for the 17 and 18 year olds, with champions to be declared Sunday.

Port Coquitlam, which recently won the provincial intermediate 'B' title, had Armstrong 6-4 after the first period but the Cheese City boys came back to hold a 10-8 lead after the second.

Dunc McDonald led the Armstrong attack with three goals. Mike Parkinson and

Ray Copeland scored two goals with shingles from Les Creelman, Doug Parent, and Glen Claggett.

Parent, a pick-up from Kelowna, was the top playmaker with three assists.

Armstrong was assessed nine of 18 minor penalties and one of two fighting majors.

PLAYS EDMONTON: The Okanagan representatives are back in action today, at 2:30 p.m. against Edmonton.

On the other hand, B division games Thursday, Juan de Fuca defeated Edmonton 11-8.

In the A division, Saanich whipped South Okanagan 18-10, Coquitlam triumphed Okaville 21-10, New Westminster humbled North Burnaby 18-7, and Richmond edged Calgary 14-13.

Joe Tennant, a name synonymous with hockey in the Okanagan, is back again as head coach and has such notables as Jim Watson from the Philadelphia Flyers and Don Ashby from the Toronto Maple Leafs as instructors.

Tennant has raised on the prairies and played amateur and minor hockey in North Battleford, Saskatchewan.

Presently living in Kamloops, he is now coach of Merritt Central's youth hockey.

Just 20 per cent of the players drafted since 1967 have played in the NHL, says Don Campbell, whose 31-year term as president ended Thursday night.

Public swimming hours will be tonight from 6 to 8 p.m. The department hoped to keep the pool open until about 10 p.m. but this was not possible.

Due to the very severe cutbacks that were imposed on us for this season's operation in spite of these cutbacks, the department has been able to offer a very full program this year, and for the first time the pool was open May 1.

This September, the department will man a booth at the Fall Fair. People will be able to register for some of the department's fall programs.

More details about registration dates, activity times, locations and dates will be available in the Sept. 14

edition of the Salmon Arm Observer.

Organizations and groups planning to use a school facility during after-school hours this fall, are asked to submit requests either to the recreation department or to the school board office as soon as possible to avoid disappointment.

A fitness workshop has been scheduled for Sept. 17 at Pentiction. The instructor is Lorna Bull, who currently teaches fitness and dance in Pentiction.

This workshop will consist of simple classes: theory behind this style of keep-fit class, ideas on planning classes and creating exercises, also hints about good books and suitable music.

For more information about location, times and registration, people interested are asked to contact the recreation office in Salmon Arm, 835-6518.

The department also will have a booth set up in conjunction with "Action B," where an elaborate computerized fitness testing station will be operated.

This fall, a variety of recreation workshops have been set up, including power skating, badminton, dog obedience, pre-school volunteer children's drama, and wood block printing.

Workshops are open to the public. Exact times, dates and

locations will be published at a later date.

New York Rangers right wing Don Murdoch, who was arrested on a charge of possession of cocaine in Toronto on Aug. 12, will appear at a hearing in Brampton, Ont. on Sept. 12.

Officials of the United States Immigration and Naturalization Service have made it clear Murdoch's career could be ended by a conviction on the charge.

The reason is simple: if convicted his U.S. working visa could be cancelled. Murdoch is the first NHL player to be arrested on drug charges.

His junior career started five years ago with Vernon Vikings of the B.C. Junior Hockey League.

JOE TENNANT runs school

Each kid gets three and a half hours a day on the ice, and of this, 45 minutes is power skating, the rest hockey skills. And we have outside activities as well - swimming and calisthenics."

This is the second year for the camp and Tennant said he has a real good possibility the camp will be expanded another week or two next year. He said 60 applicants had to be turned down this summer.

Anyone interested in making the hike should meet at city hall, at 8 a.m. Bring good lunch. For further information phone Christie Stump at 842-7029.

Meanwhile, Sept. 25, the club will be hiking in the Cabined Lakes. That group will depart from city hall at 7 a.m.

Positive thinking works sometimes

PINEHURST, N.C. (AP) - Positive thinking, said J.C. Snead, is important in pro golf.

But, he added, positive thinking only works when you're getting results.

Snead, 37, finished runner-up in the 1977-78 season, but he said he had a "marking" eight-year-old par 3 for the first round lead Thursday in the 1977-78 season.

But the winner of six tour titles and an Australian Open and a key figure on two U.S. Ryder Cup teams was not ready to pronounce.

Swimmers give Canada first taste of winning

SOFIA (CP) - Swimmers Graham Smith of Edmonton and Anne Gagnon of Beauport, Que. won Canada's first gold medal of the World Student Games on Thursday and Smith promised more wins for Canada.

Smith, 17, predicted the tough competition in the first day of the games.

Canada now has two gold, five silver and one bronze medal. More finishes in the top three are virtually guaranteed in swimming and men's basketball.
