rebounded from the Friday night drubbing.

"We forechecked more," said the smooth playmaking Lowe. "We made them throw out the puck quickly so they were passing it out blindly a lot. We got more breaks than them. Our defence was dumping the puck out much better and we all hustled more."

"We gave up for about five minutes in the third period... we still have to do a lot more forechecking and the defense has got to look sharper. But everybody is starting to get to know each other on the club and things are looking brighter for us."

Gary Skuta sparked the Penitenc attack with two markers, while Dave Coburn, Craig Cooke, Greg Egan, and Jim Reimer added singles.

Penitenc received 13 of 25 minor penalties handed out by referee Ron Rennerberg as well as three fighting majors and a misconduct.

The Canadians picked up two fighting majors and a misconduct penalty to Dean Hascari for spearing Hascari got to look sharper. He automatic three-game suspension.

Vernon's Rich Creelman has his own theory for the sudden turn-around, saying, "I won because in the first period we came out hitting and we really shook 'em up, got 'em rattled. In the second period we changed our tactics and used our phase two forechecking system which rebounded from the Friday night drubbing."

John Need also scored twice for the winners and drew an assist, while singles came from the sticks of Rich Creelman, Caughn Peoples, and Dave Schneider.

Defenceman Dave Downton played a standout game for the Canadians as he carried the puck with authority and collected three assists.

And Sunday night at the Vernon Civic Arena it was Vernon's turn to assume the aggressive personality as they rolled over Terry Martin's "walkie-talkie" Pench City crew 8-1.

It was a complete reversal of form from Friday night when the hometown Vees destroyed the Canadians by a 9-3 count.

THREE GOALS
 Terry Lowe paced the Canadians Sunday night with three goals and an assist, while John Ouchl clicked for two goals and an assist before leaving the game with a sprained ankle.

Ouchl sprained his ankle in Vernon Friday night and although he picked up three points while playing hurt, Vernon General Manager Sheldon Bloomer said, "He just couldn't go on it."

John Need also scored twice for the winners and drew an assist, while singles came from the sticks of Rich Creelman, Caughn Peoples, and Dave Schneider.

Kickers retain soccer crown

Like fine wine, Kelowna Kickers keep improving with age.

Kickers captured their sixth consecutive Okanagan Senior Soccer League title Sunday by blanking Vernon at National Hotel 2-0 in Kelowna.

Vernon spokesman Keith Brooks said, "There is always next year... we seem to say that every year."

Kelowna, with the oldest side in the league, faced its toughest test this season. Nationals had a strong, fast team and Kickers' medals' win on the final day to edge the Vernon squad by one point.

A SCRAMBLE
 The insurance goal, scored 26 minutes into the second-half, went into an empty net.

Nationals' goalie Bob Mann made a diving save and was winded when he landed hard on his chest. The play went to the other end and nobody noticed Mann was sprawled on the field.

When Kelowna returned to the back into the goal, but couldn't make it, and Dennis Zaharra lofted in a shot from 25 yards.

Kelowna goalie Angus Brown wasn't tested much, but made good saves on shots by Connor Hester and Billy Madden.

Individual star for Vernon, was left fullback Ron Irons. Irons had the tough task of stopping Kickers' speedster Victor Escude. Irons, who gave up six inches and about 40 pounds, prevented Escude from getting a shot on goal.

WIN BIG ONES
 Brooks said, "I don't know what it is about the Kickers - they always win the big ones. Everybody thought they were washed up this year because they were too old, but I guess everyone was wrong."

Kelowna Coach Harry Stenstra said, "I would enjoy accepting the league trophy, I would be quite happy to continue receiving this trophy every year."
