Balance is the key to any successful league. And the Vernon City Soccer League has been quite a success story. Scott said, "We'll wait until playoffs are completed in the fall before we discuss expansion. But, I'm sure we'll have 12 or 14 teams next season. With that number club, we might have to split into two divisions. It was less than two years ago that many local soccer supporters (?) said Vernon wasn't ready for a city league."

NAMES IN SPORTS

GREG KWISLE, who coached Vernon Canadians of the B.C. Junior Hockey League last season, has apparently landed a new job in hockey. An announcement is expected this week that will name Kwiatek as coach of Swift Current Broncos, of the Saskatchewan Junior 'A' League.

DAVE SCHNEIDER, who was captain of the Canadians last season, plans to play for Trail Smoke Eaters of the Western International Hockey League. Schneider was scheduled to start work in Trail this week.

Another Vernon product, **TERRY LOWE**, has at least two WHL teams chasing him. Lowe led the BCHL in scoring in the 1978-79 season.

Speaking of hockey, North Okanagan Hockey League President **CHERIE NELSON** has been asked to sit as commissioner of intermediate hockey for the B.C. Amateur Hockey Association. Nelson, who has led the NHL out of the bush, is expected to make a decision this week.

Rosalind Redmen, of the Interior Lacrosse Association, may move to Trail next year. Player-coach **JOHN ALLEN** said he feels the team would draw more fans and attract better players if stationed in Trail. Allen, who leads the ILA in scoring, said he will coach, but not play, next year.

Two Canadian Football League officials will conduct a referees' clinic next month at the Village Green Inn. **MATT PHILLIPS** and **PAUL McCLAIR** will be on hand Aug. 18. Football coaches and referees are invited.

Congratulations to **KAREN WIEBE** and her teammates for doing such a great job with the Multi Enterprises Fastball Tournament last weekend at Polson Park.

ENDERBY LEGIONNAIRES will be the only Okanagan team competing in the B.C. Baseball Championships next month in Enderby. Second-place Kamloops Brewers have elected to compete in the Kamloops International Tournament on the same weekend. And third-place Coldstream Hotel will feel it would be competitive with the top teams. First-place Enderby qualifies automatically as host team.

NATIONAL HOTEL will get another chance, on Aug. 19 to host Kelowna Kickers as Royal Cup winners. Both teams won their semi-final games last weekend. Kickers have owned the cup for the past six years.

Larry Fidler was the individual star for Nationals. Fidler limited Kai to two hits and knocked in three runs with three singles.

EVERY TIME—Lead-off batter Fred Persepokin reached base four times, in four at-bats. Persepokin clubbed two singles, earned a walk, and got to first on an error.

Losing pitcher Dave Friesen allowed the first National's batter to reach base in five of six innings. And Friesen didn't get much help from his teammates who made several errors.

Nationals took the lead in the first inning when Persepokin reached base to second on a fielder's choice, and scored on Fidler's hit.

In the third inning, Persepokin singled with one out. He advanced to second on a wild pitch and reached third on Gord Henscheke's bunt single. Kai catcher John Tapowreck attempted to pick off Henscheke when he headed for second. However, shortstop Perry Jordan missed the tag and threw wildly on the return to the plate allowing Persepokin to score.

Henscheke went to third on the throw and scored on a fielder's choice to make it 3-0.

UNEARNED RUNS—Nationals broke the game open with five runs, four of them unearned, in the fourth inning.

Keith Rolston led off with a double to the rightfield fence.
