Once again this year, the people of Vernon opened up their hearts and wallets for the crippled children of British Columbia.

Local businesses and individuals pledged about \$4,100 on yours truly for Sunday's Snowrama. Proceeds from the 100-mile snowmobile ride go to the Lion's Society, for crippled children.

**SECOND AGAIN**

Once again, I finished second in pledges collected, behind CII's Frank Martina. At last count, Martina had raised \$4,400.

Lumby, Enderby, and Vernon RCMP detachments had challenged Martina and I to see who could raise the most money. Nine RCMP members, from the three detachments, finished with about \$4,500. Martina and I almost doubled them.

A last minute pledge of \$2.75 per mile, from the staff and management of Silver Star Ski Area, pushed me over the 1,000 mark. Special thanks to Mike Duggan.

**SPORTS GROUPS**

Sports groups that made pledges include: Screaming Lizards Broomball Team \$2.50 per mile; Vernon Rugby

Club \$2; Lotus Gardens Hockey Team 50 cents, Fulton Maroons Basketball Team 25 cents, Village Racequetball Ltd. 20 cents, Vernon Curling Club \$1; North Okanagan Cross-country Ski Club 25 cents, McMinis Golf Course 10 cents, Vernon Minor Lacrosse Association 50 cents, Centurion Fitness Centre 10 cents, Coldstream Women's Fastball Team 20 cents, and Vernon Moonshiners Hockey Team 20 cents.

**Equipment manager "lives at the arena"**

Dave Moore can be a hard man to track down if you do not know where to look for him.

"If you want to find me, I live at the arena," he laughs.

Moore is responsible for making sure that each team is supplied with the equipment and pucks that officials have an adequate supply of scoresheets and other forms.

Moore has been "helping out" doing whatever was needed for about three years.
