DIES FROM TUMOR

DENVER (AP) — Bob Cook, one of the top bicycle racers in the United States and a member of the 1980 Olympic cycling team, died Monday of malignant brain tumors a family member said. He was 2[illegible]. Cook was a member of the U.S. world team in 1978, the U.S. national team in 1978 and 1979 and a member of the U.S. long team at the Pan American Games in 1979.

COLLECTS DAMAGE

SAN DIEGO (AP) — San Diego Clippers will collect $1.25 million from Lloyd's as an out-of-court settlement of a lawsuit brought by the National Basketball Association team over insurance taken out on Bill Walton, a team spokesman said Wednesday. Walton signed a multi-year contract with the Clippers last year but played only 14 games because of injury.

Province of British Columbia — Ministry of Labour

Training Opportunity Office Machine Mechanic

The Apprenticeship Training Programs Branch of the B.C. Ministry of Labour is offering a pre-apprenticeship course designed to prepare men and women for employment as apprentices in the trade of Office Machine Repair.

Course Term
From May 4 to October 2, 1981.
Camosun College, Victoria.

Fees and Allowances
All tuition fees of persons selected for training will be paid by the Ministry of Labour. In addition, training and travel allowances will be provided, where applicable.

Work Environment
The work environment for this trade is indoors during business hours. Persons engaged in office machine repair should possess manual dexterity, mechanical comprehension, a basic knowledge of electronics, and a natural ability to use hand and power tools. A pleasant, co-operative manner is an asset as tradesmen must work closely with sales and office support staff to keep interference with normal office routine to a minimum.

Course Content
• Introduction to machine history • Safety • Hand and power tools • Typewriter construction and principles • Standard typewriter disassembly and principles • Ribbons, platens and feed rolls • Electrical fundamentals • Electric typewriters • Typewriter service procedures and inspections • Adding machine construction and principles • Adding machine disassembly and adjustment • Calculating machines • Service procedures and inspections • Diagnostic technique • Customer relations.

Admission Requirements
• 16 years of age and over • Good general health • Mechanical aptitude and manual dexterity • Minimum education, Grade 10 (Grade 12 preferred).

Application forms and further information may be obtained from:
