

Kings beat Lakers 8-5

Prince George Spruce Kings defeated Vernon Lakers 8-5 in an exhibition junior 'A' hockey game Friday, in Prince George.

The same two clubs clash again tonight.

Spruce Kings took a 2-1 lead after the first period and scored six unanswered goals in the second.

Vernon Coach Gord MacBeth said his club played fairly well for 40 minutes.

"Our guys had a bad lapse in the second period," he said. "The rest of the game, we were as good or better than them."

SCORED TWO
Returnee Wayne Bodnaruk scored twice for Lakers while Brad Armitage, Brian Sweeney,

and Greg Kowal added singles. Hank Aarsen, who was back for the first six goals, and Taylor Sebastian split the net-minding duties.

MacBeth said, "we've got some weak spots to fill... I knew that before we made this trip. Of the 22 players we've got with us, I expect about a dozen to stick with us. The holes will be filled with the players we get from Kamloops (Oilers)."

Oilers are expected to assign some players to Vernon after their intra-squad game Sunday.

HAD JITTERS
Even without the help from Kamloops, MacBeth expects his club to win tonight. "Our guys had the jitters Friday... it was their first real test. I think they'll do much better tonight."

Sebastian and Aarsen will again share the netminding duties.

BOWLING GREEN GOSSIP
By LAURA PAGET
Kamloops Club hosted the Labor Day Tournament with players from Kelowna, Merritt, Salmon Arm, Kamloops, Vernon and Kamloops competing. Each team played three games.

Vernon's George Emerson, Ed Ober, and Les Maddex captured one of the two cups, while Pat McGillivray, Bert McCallum with Harley Webb, of Armstrong, brought home the other trophy. Congratulations!

Kay Wilson and Elsie Snowball took on Louis Melanson, Les Maddex and Muriel Secord, who evidently had left their lucky charms at home, as Kay took the game 2-5 to win the prize at this week's Hat Night.
