Judo, boxing trials to be held in Vernon

Vernon has been scheduled to host the zone two (Thompson-Okanagan) judo and boxing trials for the 1982 British Columbia Winter Games.

The games will be held in Kamloops but will start at Vernon's netinder tonight and continue through the weekend. "We're going to be doing a lot more checking and playing a closer game," said coach Gord Macbeth, "I'm worried about keeping them from scoring, we have people that can put the puck in the net but Penficon has an awesome offense."

Macbeth said he has been stressing the defensive forechecking game during the past few weeks and says if the Lakers can keep to the game plan, anything can happen."

Paul Penficon will start as Vernon's netinder tonight and continue through the weekend. "We're going to be doing a lot more checking and playing a closer game," said coach Gord Macbeth, "I'm worried about keeping them from scoring, we have people that can put the puck in the net but Penficon has an awesome offense."
