KENDALL'S KORNER

Snowarama on Jan. 31

Once per year I sacrifice time and limb to help the crippled children of British Columbia. Snowarama '82 is scheduled Jan. 31, on Silver Star Mountain. Yours truly, with about 50 other snowmobilers, will ride 100 miles. In the next three weeks, we will be asking for pledges from businesses and individuals, on a per mile basis.

TOPS PROVINCE

Vernon has topped the province in funds raised since Snowarama was first held in 1975 by the Lion's Society for Crippled Children and B.C. Snow Vehicle Association. This year's target is \$100,000. I'm proud to say I raised \$32 per mile, for a total of \$3,200, last year. I would like to meet, or hear, a figure in 1982. But, to do so, the crippled children and I need your support. Any amount which would make a pledge is asked to phone the Daily News, between 7 a.m. and 5 p.m., at 451-0671.

NOBLE HELPS

Noble Tractor and Equipment, in Armstrong, has donated a snowmobile for my use in Snowarama. Vernon Rugby Club has also come through.

GUIDE REPORT

Derby ends on Sunday

By SMOKEY TRUMBLEY

Fishermen taking part in C-Kal Mid-Winter Fishing Derby are facing the problem of locating facilities that are free of ice and offer access to open water at Kalamalka and Okanagan lakes. Main access to Okanagan lake, at Vernon yacht club, is no longer open — ice is solid right out to the edge of the beach. Seymour Marina launch ramp is also frozen closed. The public launch site, a mile past the yacht club has not been maintained and has no cat-walk or parking area. On the opposite side of the lake from Okanagan Landing, there is a public launching ramp, but low water and again lack of maintenance renders this site useless. Until the weather warms and the ice melts at the two launch sites mentioned, fishermen are now looking at travelling to Okanagan Centre where that ramp is still open.

Kalamalka launching sites, with exception of the public access in the subdivision behind Heglers Motel, are open. This includes the two east shore and also the site below Kai View subdivision. The site behind Heglers is not open solid and appears to be easily broken up. I wish to express appreciation to Coldstream Municipal Public Works for the excellent condition of the approach to all three launch sites. Not only are they plowed thoroughly, they are heavily sandaled as well.

DERBY STANDINGS

Despite the chilling cold temperature and constant north wind that has caused unpleasant conditions on Kalamalka and Okanagan lakes the past few days, more than 20 fish have been caught from both lakes. At weigh-in stationing Wednesday, Dave Harrison, of Armstrong, standing 17 pounds, six ounce lake trout is the largest entry to date.

Second largest fish in the rainbow or lake trout category was boasted by Floyd Tennier, of Armstrong, with a 17 pound, two ounce lake trout. Third largest trout belongs to Rayla Greenough, of Vernon, with 14 pounds, five ounces (lake trout).

The 14.50 derbies close at 3 p.m., Sunday. Derby tickets are \$5 each or \$3 for senior citizens and juniors.

Proceeds from ticket sales will go to the enhancement of sport fishery in the North Okanagan. Anyone can enter the derby and you do not have to catch a fish to qualify for the grand prize which will be a draw of all derby tickets sold. The following are the prize amounts: \$1000 for the winner, \$500 for the runner-up, \$250 for the third place, \$125 for the fourth place, \$62.50 for the fifth place, \$31.25 for the sixth place, \$15.62 for the seventh place, \$7.81 for the eighth place, \$3.90 for the ninth place, \$1.95 for the tenth place. Grand Prize—Two tickets to Grey Cup Game, Edmonton, Nov. 31, at Lake Country Sports, 31 to help crippled children, contact the Snowarama office, in the Lion's Den at 451-5289.

Second Largest Rainbow or Lake Trout: 12 foot aluminum boat, donated by Harber Manufacturing (B.C.) Ltd.; Evirud outdoor motor, donated by Seymour Motor. Second Largest Rainbow or Lake Trout: Return air fare for two via Pacific Western Airline; hotel accommodations for two and one day ocean fishing with Ted Peck, complimentary food at Gannamo Lake. Third Largest Rainbow or Lake Trout: \$500 complete Vernon Fish and Game Club, R. E. Postill and Sons Ltd. Hidden Weight: (lake trout only) Scotty Down-Rigger, donated by Lake Country Sports; Fisherman's Floater Vest, Star Marine and Leisure.

SNOWARAMA

Snowarama '82 will be held on Silver Star Mountain, Jan. 31. This is the fifth year that the Lion's Club and snowmobile clubs throughout the province have sponsored this event to raise funds for the crippled children of B.C. Anyone who has a snowmobile, wants to collect pledges, and ride 100 miles on a snowmobile Jan. 31 to help crippled children, can contact the Snowarama office, in the Lion's Den at 451-5289. Yours truly will be riding 100 miles, courtesy of Star Marine and Leisure. I will be carrying C-Kal Country Radio colors again this year. Anyone wishing to pledge any amount from one cent per mile up to, on my behalf, may do so by calling C-Kal Radio 451-5222 during office hours, or 451-5224 anytime. You may pledge on my behalf at the Lion's Den weekdays, from 10 a.m. to 5 p.m., or phone 451-5289.

Saturday from 10:05 a.m. to 12:05 p.m. and Sunday from 11:15 a.m. to 1:15 p.m. (just right for catching the winner and will be back at the weigh-in station after the derby closes).

with flying colors. The ruggers pledged \$150 per mile, for a \$150 total. They have challenged other North Okanagan sports teams to meet that donation.

I have passed the \$1,000 mark in total pledges today.

For my money, there is no one more deserving of our support than the crippled children of B.C.

WITH VERNON LAKERS

Lepine a bright spot

By DON KENDALL
Daily News Sports Editor

The last two B.C. Junior Hockey League seasons have been memorable for Vernon Lakers.

Lakers finished in the league cellar during the 1980-81 campaign and are currently fourth in the five-team Interior Division.

However, one bright spot for the club has been defenseman Darcy Lepine. Lepine was recently named to the division all-star team for the second consecutive year.

AN HONOR

"It is quite an honor," Lepine said. "It means more to me because it was a late addition last year."

Lepine was added to the roster last January, when Revelstoke defenceman Kelly Smith was unable to play due to an injury.

The all-star game will be played Jan. 14, in Richmond.

Unlike last season when Lakers was being defeated by eight to 10 goals on a regular basis, the club is competitive in most outings.

Lepine said, "There isn't much difference between us and Penitence or Kelowna. We've got as experienced as we're making more little mistakes than them and those mistakes are ours."

The recent acquisition of Dale Woods, from Dauphin Kings of the Manitoba Junior League, has given the club an experienced netminder. But, the team is still hoping to acquire a solid defenceman before the signing deadline, Sunday.

"A two-way defenceman would make a big difference to our club," Lepine said. "He would really help settle down the younger guys."

MENTAL PREPARATION

Lack of mental preparation is hurting the Lakers, according to Lepine. "We have to be ready to play hockey before we get to the arena," he said. "A lot of games, our guys

Taylor named as top rookie

NEW YORK (AP) — Linebacker Lawrence Taylor, who helped lead New York Giants into the playoffs for the first time since he was a toddler, was named today The Associated Press defensive rookie of the year for the 1981 National Football League season.

Taylor, a 6-foot-3, 237-pound whirlwind out of North Carolina, was the overwhelming choice by a panel of sports writers and broadcasters, receiving 51 1/2 of four votes cast by season's end.

Cornetback Ronnie Lott, one of three rookies in San Francisco who's secondary, received 23 votes, linebacker Hugh Green of Tampa Bay Buccaneers got 7 1/2, and defensive end Kenny Easley of Seattle Seahawks received 6 1/2, with 11 votes each.

Taylor was not quite four years old when the Giants last made the playoffs, a 14-10 loss in 1980 NFL championship. The Giants' defense was the hallmark of the 1950s and 1960s. And it
