

Berezowski will remain with Lakers

Old habits are hard to break and for Vernon Lakers' forward Ron Berezowski this city and its hockey team will continue to be his place of residence.

Recently Berezowski was one of the subjects of a trade between Lakers and Merritt Centennials but in the end Lakers' coach Mike Enemark decided he didn't wish to part company with "The Bear".

Berezowski will stay but forward Rob Revell will return to Revelstoke and will no longer be with the team. According to Enemark, Berezowski's play over the weekend warranted a second look and a new assessment of his ability to aid Lakers in their quest for BCJHL supremacy.

Meanwhile, the Wensley brothers, Dave and Bob, continue to lead the local club with their scoring expertise, in that order. Dave, a year younger than his brother who wears the "C" for Lakers, is tops on the

team with 14 goals and 17 assists for 31 points in 12 games.

The elder Wensley is close on the heels of his brother with a dozen goals and 15 assists in 12 games.

Both Wensleys are among the top point-getters in the BCJHL Interior Division and in the league. A third Laker, veteran Rob Kossan is among the Interior division's top ten scorers with his 8 goals and 16 assists for 24 points in 13 games.

Lakers have been idle this week and are presently preparing for a home-and-home series with Summerland Buckaroos. Bucks are still realling from a loss dealt to them by Merritt Centennials last weekend.

The only other occasion in which the two teams have met produced an exciting brand of hockey game with the hometown Buckaroos edging Vernon 4-3 in the dying minutes of the game.

This will mark the first occasion in which Buckaroos

have visited Civic arena this season.
