

Lakers face busy weekend

Two of Vernon Lakers' remaining five home games of the regular season take place this weekend as part of a three game series that will take place over three days.

Friday night, lakers entertain Revelstoke Rangers at Civic Arena while Sunday it will be the much-improved Merrit Centennials in town Saturday night the local junior squad goes to Salmon Arm for a match with Totems.

Lakers' General Manager Carl Enemark is hoping the club will get the most out of the last 11 games in their regular season as they make a desperate attempt to overtake top spot in the BCJHL Interior Division.

"We're trying to get up for these games," Enemark said of the heavy weekend coming up. "We have a busy schedule now until the end of the season . . . they're all important to us."

"We'd like to try for first place but if it's not possible, we'd just like to use the games to prepare for playoffs and hopefully stay healthy."

MATCH PENALTY

Meanwhile, one Lakers' status is in jeopardy again. Bob Wensley received a match misconduct for the second time this season during a game with Summerland last Sunday.

"We're worried about Bob's match penalty," said Enemark. "We felt it was a very trivial penalty and we've lodged a protest over the call. However, it's his second one (match penalty) this year so we don't know how they're going to look at it."

In the meantime, high-scoring Dave Wensley will return to the club's line-up

in time for the games this weekend. The younger Wensley has been sidelined with a broken hand.

SCORED THREE

In BCJHL Interior League action Tuesday night, league scoring leader Brett Hull scored three times to lead Penticton Knights to a 12-3 romp over Summerland Buckaroos. Hull, chasing the record of 83 goals set one year ago, now has 79 with eight games remaining.

Murray Winnicki also had three goals for Knights who led 3-1 at the end of the first period and 6-2 at the end of the second. Aaron Scott and Rod Schluter had a pair each for the winner.
