

Penticton whips Lakers

Penticton Knights hammered Vernon Lakers 13-5 in B.C. Junior Hockey League action, Friday night, in Penticton.

The game proved two things: Knights are the class of the BCJHL's Interior Division and Lakers can't win in Penticton.

Penticton leads the division with 24 points, eight more than second place Summerland Buckaroos. Lakers, who haven't won in Penticton for more than two years, remain in third place with 17 points.

Todd Brost and Murray Winnicki scored three goals each for Knights. Brost now leads the Interior Division with 18 goals, in 16 games. Joe Murphy and Shawn Harrison blinked the red light twice for Penticton.

Darrel Weinbruger, Greg Kowal, Wes Gentles, Greg Guest, and Nick Kapicki replied for Lakers. For Kowal, who has been Vernon's most consistent performer this season, it was his 15th goal in 18 games.

The high-flying Knights peppered 59 shots at Vernon netminders Jim Young and Frank Romeo, who was acquired this week from Revelstoke Rangers.

In other action Friday, Albert Anthony was a one-man wrecking crew for Salmon Arm Totems.

WES GENTLES
... scored one

Anthony scored four goals and added five assists to lead last-place Salmon Arm to an 11-9 win over Summerland Buckaroos. It was only the Totems second win of the season against 12 losses and a tie.

Kevin Taillefer scored one goal and added five assists for the Totems who outshot the hometown Buckaroos 34-28.

On the Coast, Abbotsford Flyers' goaltender Al Loring made 32 saves to lead his club to a 5-2 win over division-leading Langley Eagles.

Lakers are idle until next Friday night when they host Revelstoke.
