

KIDD BREAKS RECORD

Knights blast Bucks

It was another routine victory Tuesday for Penticton Knights but a big night for veteran defenceman Ian Kidd.

The 20-year-old rearguard scored one goal and added three assists in a 10-2 victory over Summerland Buckaroos to break the B.C. Junior Hockey League single-season record for points by a defenceman.

In the only other BCJHL game Tuesday, Abbotsford Flyers downed Nanaimo Clippers 11-4.

Kidd, a Portland, Ore., native, now has 107 points — 30 goals and 77 assists — in 45 games to break the old mark of 106 set in 1981-82 by Craig Redmond, now a member of Los Angeles Kings of the National Hockey League.

The Knights' victory was their 41st in 45 games.

Joe Murphy and Murray Winnicki each scored twice for Penticton, which held period leads of 4-0 and 5-2. Rod Ware, Mike Moree, Cal Brown, Scott Rawson and Dave Shields also tallied for the Knights who fired 69 shots at Summerland goaltenders Dean Garnett and Richard King.

Shawn Pettyjohn and Charlie Purpurides scored for the Buckaroos.

In Abbotsford, Chris Anderson scored three goals for the Flyers who broke the game open with six goals in the final period. Sean Harder, Mike Bulka and Kal Russeel each scored twice for the winners while Doug McFaul and Rob Reid added singles.

Al Chatlain and Mitch Poulin each scored twice for Nanaimo.

Al Loring made 28 saves in goal for Abbotsford, while Darren Wourms stopped 58 for Nanaimo.

Vernon Lakers, who occupy second place in the Interior Division, return to the ice Friday, at home, against Revelstoke Rangers. On Saturday, the high-flying Knights visit Vernon.
