

Wensley boys enjoy success

In the case of Bob and Dave Wensley, success appears to be running in the family.

The brothers, formerly of Vernon and both members of the 1983-84 Vernon Lakers of the BC-JHL, are pursuing careers in hockey elsewhere in the world and each is achieving a success.

Of course, anyone who knows the Wensley brothers would assume nothing less. Bob was a high-scoring forward with Lakers for two seasons while Dave, who spent just one season with the club, led the team in individual scoring in 1983-84.

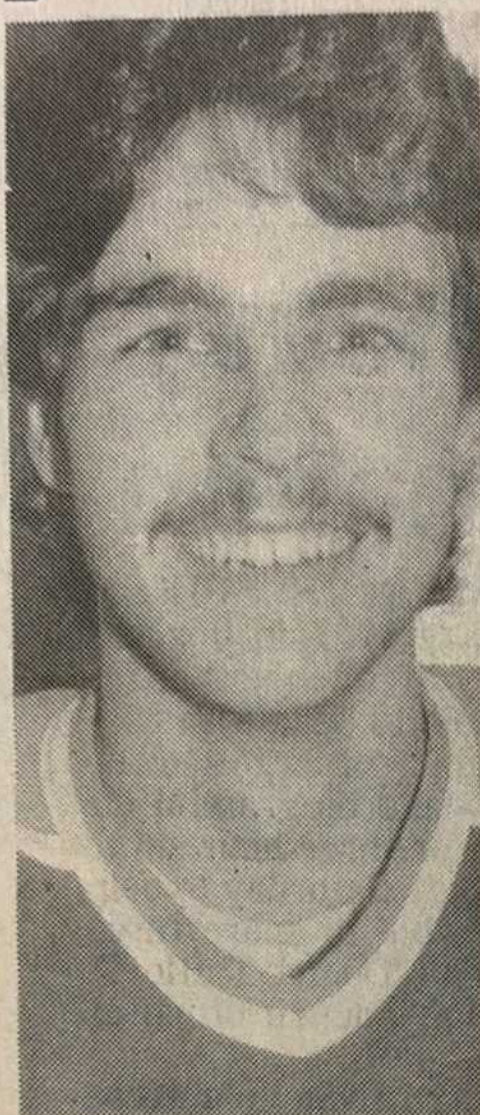

Dave is now part of the academic community of University of Maine-Orono while brother Bob, the older of the two, is playing in the first division in Helsinki, Finland.

The younger Wensley is on a four-year full scholarship with Maine and if first impressions are correct, he will be a major part of that team for several years to come.

In the most recent information out of Bangor, Maine, Wensley was chosen Player of the Week in the Hockey East Conference.

The struggling University of Maine squad, has won just five games in 23 starts this season.

Wensley, however, has risen to the top of the team in scoring and ac-

... player of week

According to a newspaper report out of Bangor, has been the most dominant force on the ice for Maine in recent games.

Wensley scored 41 goals and added 76 assists for 117 points last year with lakers.

Bob, on the other hand, is only just starting to ad-

just to the lifestyle and hockey life of Finland's First Division. According to Hank Wensley, father of the two and a former coach of the Vernon junior hockey team, Bob has been getting a lot of ice time and is receiving a lot of conditioning both on and off the ice.

LOOK BACK FIVE YEARS

FEBRUARY, 1980

A half-court press paid off for Vernon Panthers as the local squad destroyed Forest Lawn Titans of Calgary 73-47 in the opening round of the

Chimo Basketball Classic in Vernon. The local squad was led by Wilf Haak who added 12 points in addition to his sparkling defensive effort.
