A Successful Season

For 1981-1982

President's Message . . .

On behalf of the directors and support staff and players of the Vernon Lakers, I welcome all our fans to an exciting season of action in the BCJHL.

Our entire entry was completely reorganized for the 1981-1982 hockey season. We are the 1st affiliate of the

Kamloops Oilers of the WCHL, in which the majority ownership is held by the Edmonton Oilers of the NHL.

With the reorganization of the directors, the affiliation with the Kamloops Oilers, combined with the very necessary ingredient of local fan support, I am sure we will have a competitive team to be proud of in the 1981-1982 BCJHL season.

Good Luck, Lakers
