Mayor's Message

On behalf of Council and all citizens of Vernon, I am pleased to have this opportunity to welcome all players, officials and fans of the B.C. Junior Hockey League to the "Top of the Okanagan". Also, I would like to especially wish the Vernon Lakers much success in the 1987-1988 Junior Hockey League season.

We congratulate Mel Lis and his coaching staff for their hard work and dedication to the game of hockey. Through their efforts and through the efforts of all the team members, they have provided our citizens and visitors alike with high calibre hockey and we look forward to another successful season.

We also are grateful to this energetic team for promoting Vernon so ably on their tours throughout our Province playing hockey. Each one of the players is to be commended for his fine representation of our City.

Anne Clarke, Mayor

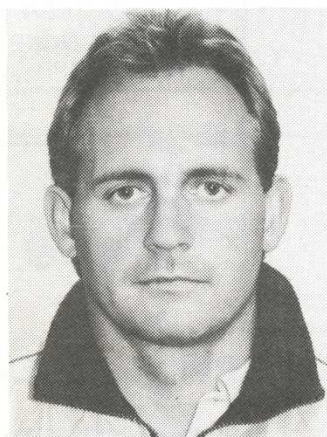

Mel Lis

President and General Manager's Message

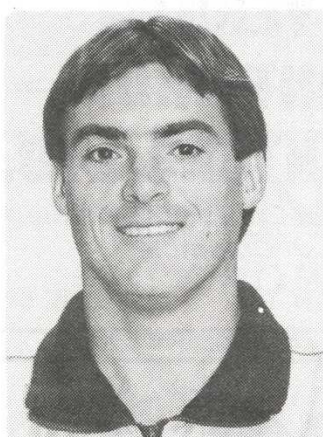

We are looking forward to the coming season with great enthusiasm. This will be our second season operating the Laker franchise and after a successful first season we anticipate a great season, both on the ice and off the ice.

The Laker organization was proud to have two of our players taken in the N.H.L. entry draft last June. We also had five players receive scholarships to N.C.A.A. Division I colleges and we were able to place two graduating players on professional teams in Germany.

Our goal this season is to provide the hockey fans in the Vernon area an exciting team to watch and to help our players meet their educational and hockey objectives.

The Vernon Jr. A Hockey Scholarship Fund

The Vernon Junior Hockey Scholarship Fund will award two scholarships annually to two young Vernon area hockey players.

The Roly Sammartino Memorial Scholarship will be awarded to a graduating Laker who wishes to continue his education at a Canadian university. Sammartino was involved in various capacities with junior hockey in Vernon for numerous years and had a very positive influence on the many young men who came to Vernon to play hockey.

Another scholarship will be awarded to a graduate of the Vernon Minor Hockey Association, a midget or juvenile player who wants to further his education at a Canadian university.

The fund has its own entity, separate from the present or any future Laker franchise. A committee has been selected from the community to select the recipients and oversee the fund.

The goal of the scholarship fund will be solely to help young Vernon area players, on a continuing basis, to further their college education.
