PRESIDENT'S MESSAGE — 1985-86

As the league enters its 25th year of operation, I am pleased to represent the Governors and have this opportunity to review our improvements of recent seasons.

Continuing education from encouragement of highschool graduation through to university, college and trade school opportunities has been our main thrust. The clubs have made available an average of fifty scholarships to our players at institutions in both Canada and the U.S.A.

The high calibre of hockey now played has propelled a BCJHL team to the Centennial Cup competition finals for the past three seasons; a feat previously unattainable by a team of this league.

An equally high level of Coaching and Managing has been largely responsible for the quality of play and players making a team official's position a tough fraternity to join. Careful selection and close scrutiny of our officiating staff has resulted in better on ice play and also developed our young sportsmen into knowledgeable players of the game.

Special events such as our Annual All-Star Game provide an avenue for our "best" to show their talents to many scouts from the "Pros", "Minor Pros" and colleges including the opportunity to meet hockey greats at the increasingly popular annual All-Star Luncheon.

This year's event is planned at Nanaimo and promises to be a great contest between the Coast and Interior Divisions.

In our endeavours to provide Junior A hockey to the major communities of the province, we are pleased to welcome the city of Kelowna and the "Kelowna Packers" to the league and we wish well the Revelstoke relocation to Abbotsford, now the "Abbotsford Falcons" and the "Flyers" move to Delta, now the "Flyers of Delta."

All this effort by our members to improve ourselves has led to a desire to host the first Western Round Robin Centennial competition for the Abbott Cup and our intense pursuit of the Centennial Cup for B.C.

Stay with us, support your favourite Junior A club and enjoy fast action, exciting hockey presented to you by the "Stars of Tomorrow."

— LES "Bunny" JEBOULT, President

MIKE ENEMARK

GAVIN SHUYA

The Defensive Duo — 1982-83

Gavin Shuya and Mike Enemark made up one of the most feared defensive pairings in all of BCJHL history. Between the two of them, they broke two league records and four team records. They scored 54 goals and had 152 points between them, both were league records.

Shuya had 24 goals, 52 assists for 76 points and Enemark put together a 30 goal, 46 assists for 76 points and were tied for the club lead in scoring, and tied for fifth in league scoring.

Enemark became only the third defenceman in the history of the BCJHL to reach the 30 goal plateau. But more importantly, they lead the club with leadership, both on and off the ice. Both All Star defencemen, they averaged 45 min. a game apiece and were two of the main factors in bringing the club from a 10 win season to a 35 win season and a second place finish.

Harold Schaffner

Bob Wensley—1983-84

In the year and a half that Bob was with the Lakers, he became one of the most feared players to the opposition and one of the popular players on the team and a real fan favourite. He was named team captain in his last year and led the team by hard work and effort. One of the club's 40 goal men he was named to the All Star team. Bob has just completed his first season of European hockey as he played in Helsinki, Finland, and is looking forward to his second season there.

Dave Wensley—1983-84

Dave played only one season for the Lakers, but it will be a memorable one for him. He led the club in both goals and points with 49 goals and 110 points. He centered one of the most feared lines in league history with brother Bob on the right side and Rod Kassan on the left. Dave is now playing for the University of Maine on a full scholarship. Always being a goal scorer, he lived up to that billing in his first year by being one of the top scorers on the team.
