3rd Annual Invitational

INTERMEDIATE HOCKEY TOURNAMENT

NOVEMBER 27, 28 & 29, 1981 — VERNON CIVIC ARENA

It is with great pleasure that I again have the opportunity to congratulate the Vernon Cougars on being the North Okanagan Hockey League Champions.

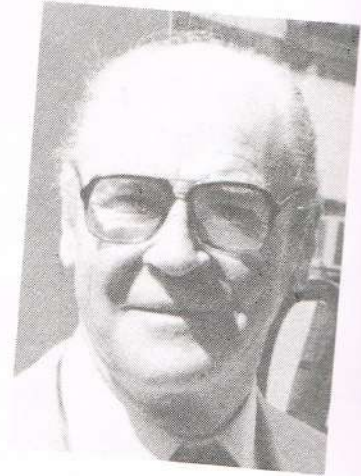

Having won this title three years in a row not only demonstrates your great abilities as players, but also the hard work and sportsmanship put forth by all team members.

Again, my congratulations and sincere wishes for another successful season.

Sincerely,

Patricia J. Jordan, M.L.A.
Okanagan North.

THE
CORPORATION
OF THE CITY
OF VERNON

Office of the Mayor

On behalf of my Council and all the citizens of Vernon, it gives me great pleasure to extend a warm welcome to all visiting players, officials and fans of the North Okanagan Hockey League.

The North Okanagan Hockey League has a two-fold importance. Not only does it provide the stimulation for athletic competition and friendly rivalry throughout the Okanagan, it also provides the opportunity for athletes, coaches and officials to form new friendships and renew old ones, which is perhaps as important as winning the games.

We wish you much enjoyment and great success.

N. A. Davidson
Mayor

Let's Talk About . . .

SCORING vs RULES IN 1981-1982

With only two regular season games under their belt, the Vernon Cougars have racked up an impressive goals for-against statistic. Winning against the Rutland Molson by a score of 15-1 and beating the Kelowna Packers 10-3 would seem to indicate a replay of previous years. We may, however, see the scoring spread more evenly among the Cougars in 1981-82.

The new fighting rule, where a player involved in a fight automatically gets a game misconduct, will undoubtedly have something to do with this. While fighting is never encouraged, the rule could leave the door open for abuse whereby a fight could be "caused" to happen between a very good scorer and a lesser player resulting in a great loss for one side and helping the other by getting rid of the high scorer.

Whether or not this will be the case cannot yet be determined, but since the possibility exists, we should certainly keep our eye on the situation.

DON'T FORGET . . . Tournament Passes are now available from all players and at the door.
